POSTER PRESENTATION COMPETITION

About the Event

THINK-INK EXPO is a creative Poster Presentation event designed to provide students with a platform to showcase their ideas, research, and innovations through visually engaging posters. The event encourages participants to think critically, present creatively, and communicate their concepts effectively while sharing knowledge on meaningful and trending topics.

Rules & Regulations

- Each team must consist of 2–4 participants.
- Posters should be relevant to the selected theme.
- Content must be original; plagiarism is strictly prohibited.
- Participants must clearly explain their poster to the judges.
- Use of charts, images, and diagrams is encouraged.
- Any form of misconduct will lead to disqualification.
- Judges' decision will be final.
- Dimensions : 59.4 cm x 84.1 cm

Themes

- Innovation & Technology
- Artificial Intelligence & Future Tech
- Sustainable Development & Environment
- Smart Cities & Digital India
- Health & Wellness
- Climate Change & Green Energy
- Entrepreneurship & Startups
- Women Empowerment
- Education & Future Learning
- Social Issues & Solutions

Evaluation and Criteria

- Content Quality & Relevance
- Creativity & Innovation
- Poster Design & Visual Appeal
- Presentation Skills
- Clarity of Explanation & Q&A

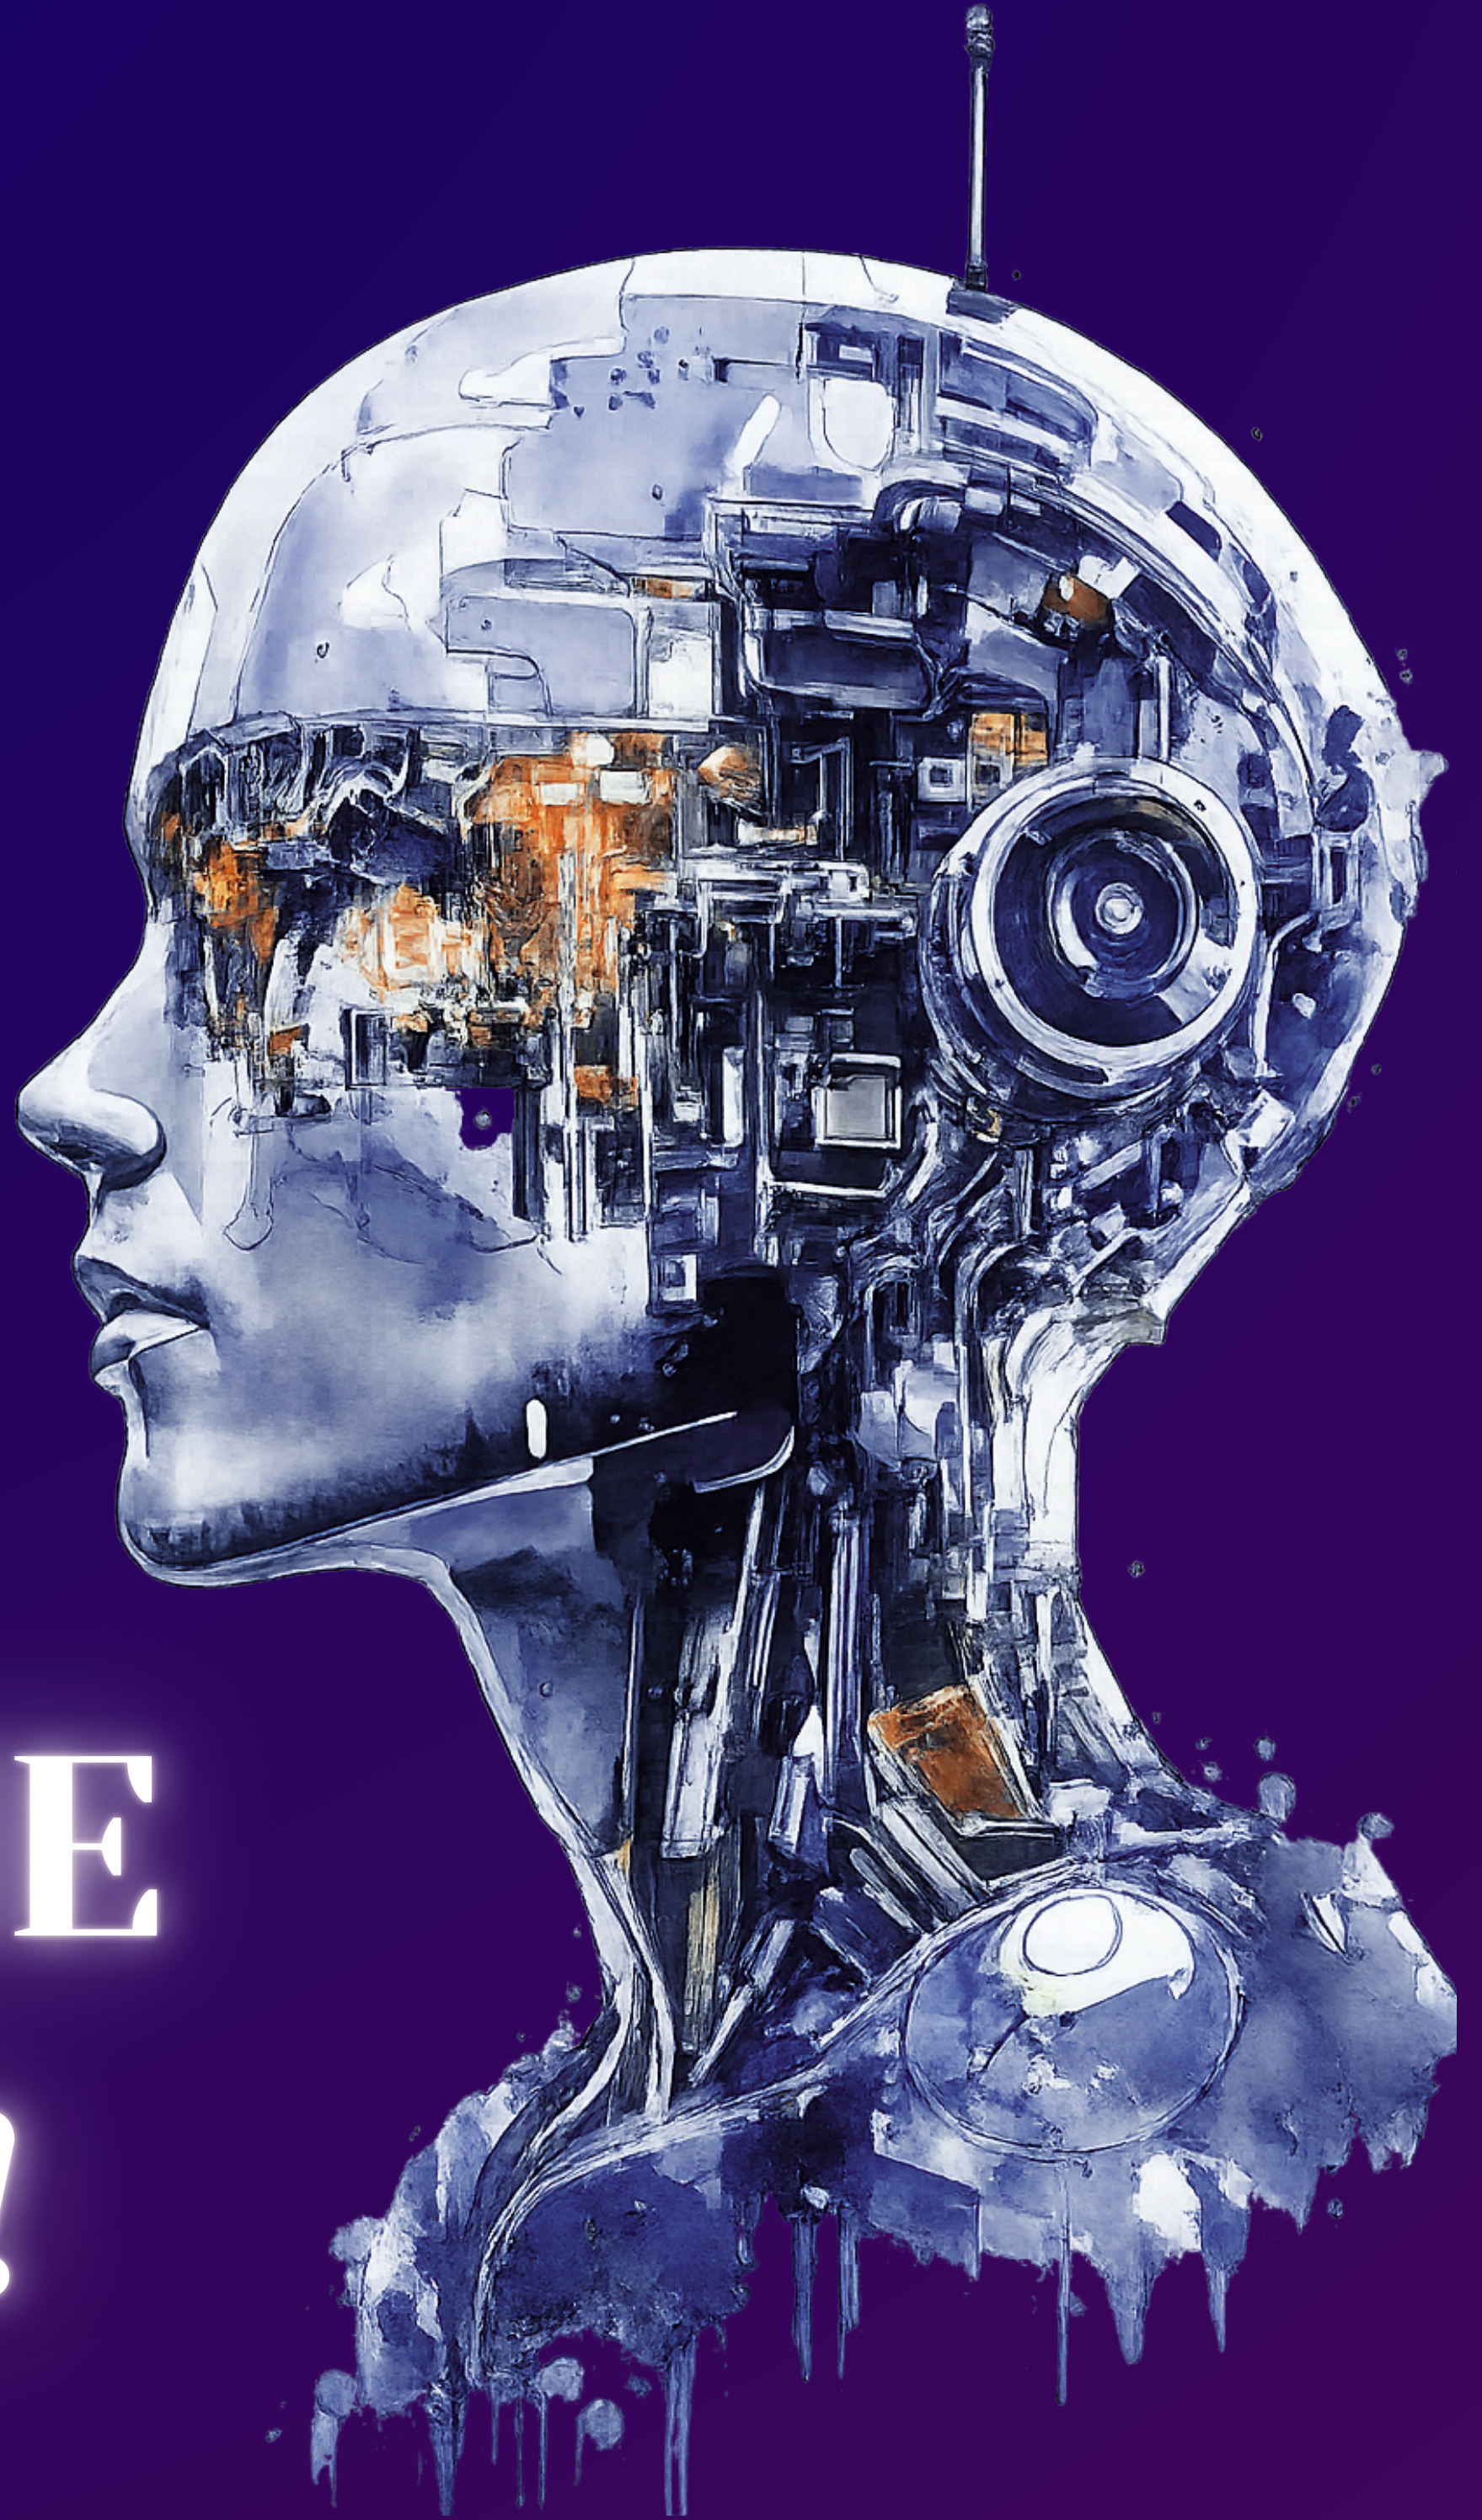

Presentation Format

- All participating teams will directly present their posters in front of the judges.
- Each team will be allotted 5–7 minutes for presentation followed by a brief Q&A session.
- Evaluation will be done simultaneously during the presentation.
